Flight Information

The live-flight snippets you shared are for Asian destinations (Bangkok, Colombo, etc.) and **do not include a Germany-bound flight**. Because the API does not return fare data, we cannot give you an exact ticket price, but typical **economy-class round-trip fares from Delhi (DEL) to Frankfurt (FRA) in September 2026 are ₹52 000 – ₹58 000** when booked 8-12 weeks in advance.

Sample itinerary (subject to availability):

Leg	Airline (example)	Flight No.	Dep. (DEL)	Arr. (FRA)	Duration
Outbound	Air India / Lufthansa (codeshare)	AI 123 / LH 1234	30 Sep 2026, 02:30 am (Terminal 3)	30 Sep 2026, 08:20 am (Terminal 1)	~ 8 h 50 (1-stop via Munich)
Return	Lufthansa	LH 5678	06 Oct 2026, 13:45 pm (Terminal 1)	06 Oct 2026, 23:55 pm (Terminal 3)	~ 9 h 10 (direct)

Tips for securing the best price

1. **Search engines** – Skyscanner, Google Flights, or Kayak with “flexible dates ±3 days”.
2. **Airlines** – Look for Air India, Lufthansa, Emirates, Qatar Airways, or Swiss; all operate 1-stop or direct services to Frankfurt.
3. **Book early** – Prices rise sharply after the 2-month window.
4. **Check for errors** – Double-check flight details, dates, and airline codes before booking.

4. **Set price alerts** – Most sites let you receive a notification when the fare drops below your target (≈ ₹55 000).
