7 Final Recommendations

1. **Book early, stay flexible** – For the best airfare, lock in the IndiGo round-trip $\leq$ ₹15,000 by setting a price alert now. If you can shift the departure by ± 2 days, you may shave another ₹2,000-₹4,000.
2. **Visa** – Apply for the UAE e-visa **as soon as you confirm flights** (3-5 working days). IndiGo's "visa-assist" service ($\approx$ ₹5,000) can handle the paperwork for you.
